

## **Grantham Choral Society – becoming a sponsor**

Thank you for showing an interest in sponsoring Grantham's pre-eminent community-based choir - GCS.

We have a history stretching back to 1963 when we gave our first concert, celebrating the quincentenary of the town.

We perform throughout the year with a largely classical but accessible repertoire. We usually collaborate with professional orchestras along with young professional soloists from across the UK, as well as local schools, to give them a chance to perform early in their careers.

Our audiences come from across the local area, and usually number upwards of 200 at our concerts in St Wulfram's Church, in ChristChurch, Finkin St and in local villages near Grantham.

We have always been generously supported by a number of local businesses who are keen to demonstrate their commitment to community arts in Grantham and we are always keen to expand our network of supporters drawn from the town and surrounding areas.

*Our sponsors support us in two ways – **financial and in-kind services**.*

- We are grateful for all offers of services – such as printing, parking, hospitality at our concerts. If you would like to make such an offer, please contact us to discuss what you have in mind (contact details below).*
- If you would like to make a direct financial contribution, read on...*

We have designed three sponsorship options:

- **Bronze Sponsorship** - £75 a year (September to August)
  - Your business name and logo on our website and in all concert programmes as a sponsor (usually four concerts per year).
  - One free ticket and a reserved seat for all our concerts in the year.
  - You may display advertising material on the GCS noticeboard in the concert venue on the day of the concert.
- **Silver Sponsorship** - £120 a year (September to August)
  - As for Bronze but with two free tickets/reserved seats for all our concerts in the year.
- **Gold Sponsorship** - £240 a year (September to August)
  - As for Bronze/Silver but with four free tickets/reserved seats for all our concerts in the year.

We really hope that sponsorship of GCS will be beneficial to both you and us and by sponsoring us you will have made a direct contribution to the town's community life – which is something that your employees, customers and clients will appreciate.

We ask that financial sponsors agree to the Terms and Conditions of sponsorship as set out on the application form on our website. Please complete the form, or contact our secretary by email at [granthamchoralsociety@outlook.com](mailto:granthamchoralsociety@outlook.com) if you have any questions or would like to make an informal sponsorship enquiry. Thank you.
